Donation Policy

Adopted 13th May 2024

The Council receives applications for funding from local charities and voluntary organisations and will consider providing financial support to projects which benefit the area or its inhabitants.

The primary criteria against which applications will be judged is the extent to which the organisation and/or project will benefit the parish or its residents. The Council's funds are limited and it will not usually be possible to make grants to all worthy projects.

Applications for such donations will be considered quarterly, at the Parish Council Meetings in March, June, September and December, except in exceptional circumstances.

Applicants should note the Council does not grant loans.

Please contact the Clerk if you need further information.
